EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims

Claims 9-18 are cancelled.

Title

Field Effect Transistor

Allowable Subject Matter

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 1-4 are allowable because prior art does not show alone or in combination along with the limitation of the independent claim such as a channel layer formed on a predetermined semiconductor layer and having an impurity concentration varying from low value to high value and a source and drain with a bottom face located in the channel layer and the bottom face is above the interface of the predetermined semiconductor layer and channel.

Claims 5-8 are allowable because prior art does not show alone or in combination along with the limitation of the independent claim such as a channel layer

formed on a predetermined semiconductor layer and has a composition that varies so that a saturation electron velocity varies from a low value to a high value as getting away from the predetermined semiconductor layer and a source and drain region having a bottom face located in the channel layer and the bottom face is above the interface of the predetermined semiconductor layer and channel layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
